CMSA-Europe Spring Conference 19 – 20 April 2010, London Commercial Real Estate Finance: The Way Forward

We are pleased to announce the **sponsorship opportunities** for the Spring Conference 2010 **Commercial Real Estate Finance: The Way Forward**.

To keep current, adapt and evolve with the marketplace the CMSA-Europe Board of Governors recently approved a new Strategic Plan which expands the scope of the association to embrace all constituencies within European commercial real estate finance.

To this end, CMSA-Europe is pleased to announce the creation of Forums, groups of members with a common role in the industry. These Forums will encourage interaction between all parties and address issues particular to each group. Further information on the Forums will be available shortly.

As the CRE Finance market starts over, be at the forefront to ensure that our members and other participants are aware that you and your company are players in this evolving marketplace. If you are new to the CRE Finance market what better place to raise awareness of your brand and meet new contacts.

Sponsors of the conference are entitled to the following benefits:

- Acknowledgement in pre- and post-conference mailings
- Recognition in conference materials with company description and key contacts listed
- Company branding on event signage
- Complimentary firm/guest passes
- Booth/Corporate literature displayed at the event
